INTRODUCING INFINITY

Every now and then a grand opportunity arises. Infinity may very well be the opportunity you wish for. This amazing architectural beauty, known as the landmark of Amsterdam’s thriving Zuidas-district, could offer the personalized office space your flexible modern-day company needs.

Infinity offers unrivalled accessibility, due to its location right next to Zuidas’ main access road as well as metro station Amstelveenseweg. Infinity provides your company with a full-service office solution with a restaurant, coffee bar, meeting rooms and a professional service team that will assist you with all your needs.

Infinity has large and efficient office floors that are very suitable for the New World of Working. With its transparent lay out the office floors offer the ultimate in style and flexibility. With its modern and energy efficient installations, Infinity provides today’s smart organizations a sustainable office solution. Infinity is the perfect home for companies of all sizes.
THE ZUIDAS

The Netherlands is one of the main breeding grounds of multinational business and stock trading. It is a powerhouse in international trade, design, service industry and finance. Within this vibrant and stable economy, the capital of Amsterdam is both the heart of Dutch business activity and one of the main centres of international finance.

Amsterdam’s Central Business District Zuidas is home to many leading companies in different international business sectors, Zuidas is in permanent connection to the world through Holland’s excellent infrastructure.

The Zuidas is an outstanding business environment. With its sophisticated educational institutions and top companies in many different business sectors, the Zuidas is a driving force of the Dutch economy. On this thriving ground, Infinity stands out as the most eye-catching, most exclusive object of the Zuidas.

ZUIDAS FACTS

Amsterdam Zuidas is a driving force of the Dutch economy, home to many leading companies in different business sectors.

405 COMPANIES
30,000 jobs
35 nationalities
50% with an international background
29% financial institutions
22% legal services companies

LIVING IN ZUIDAS

28 cafes and restaurants
5 hotels
5 childcare centers
12 schools
Infinity’s accessibility by car is unrivaled by any other building at the Zuidas, due to its proximity to the ring A10. Situated directly next to Exit S108, it provides a congestion-free connection to the Dutch motorways.

Perfectly visible from the motorway to anyone who passes, Infinity’s remarkable shape stands out as a signature landmark of Amsterdam Zuidas. The accessibility of your office is further improved by Infinity’s underground parking, offering personal parking space to tenants and their employees 24 hours a day.
Amsterdam Zuidas is connected to the world’s main economic hubs through Holland’s excellent infrastructure.

Metro station Amstelveenseweg is located next to Infinity and offers a quick connection to nearby railway station Amsterdam Zuid; the main transportation hub of the Zuidas offering frequent train services in all directions – including a direct 6 minutes drive to Amsterdam Schiphol Airport – as well as metro lines, trams and busses. In the future also the international trains to Paris, Brussels, London, Frankfurt and other European cities will depart from Amsterdam Zuid.

The close proximity to Amsterdam Airport put most of the world’s main cities within arm’s reach. That’s why many multinational companies, such as Google, ABN Amro, Tesla, APG, Kempen & Co, Accenture and Akzo Nobel, have chosen to establish their headquarters at Amsterdam Zuidas.
ENTRANCE AND PUBLIC AREAS

Your guests and business partners are welcomed at the new to be developed grand entrance. This spacious public area offers an atmosphere of hospitality, as well as opportunities for personal retreats in the more secluded areas. The reception is combined with a coffee bar offering not only a warm welcome to Infinity but also drinks and sandwiches.

To increase its transparency, Infinity will be an open office building without any access control system on the ground floor. Due to this open access and public function Infinity’s interior is a dynamic social environment, where everyone is invited to work, meet and relax under the friendly care and hospitality of our staff. In the central lobby you can have informal meetings or work using Infinity’s free Wifi connection.
FLEXIBLE FLOORSPACE

Enhance the flexibility of your organization by the way your people work. Imagination knows no borders, and neither should the possibilities of your office space. The smart lay-out of Infinity’s wide and open office areas guarantees the highest in both flexibility and efficient use of space, offering complete freedom in arranging your personal workspace to your style of business.

With floors up to 1,600 sq. m, Infinity offers large transparent office floors for companies that embrace The New World of Working. Infinity’s smart floor plan offers the ultimate in style, flexibility and the communication between departments.

The business center located on the 3rd floor offers office spaces based on flexible contracts – from 1 to 60 months. Your office space will be completely furnished, and our service provider takes care of all the logistics for you.

The innovative floor design also provides an unmatched flexibility for the technological installment of your office, optimizing the communication and equipment of your company.

Every measure to increase your comfort has been taken, such as high-tech installations to optimize the in-house climate: Fresh air, the right temperature and the inherent amount of natural light create a healthy and comfortable work environment.

THE MEASURE OF INTELLIGENCE IS THE FLEXIBILITY TO CHANGE.

Through the transparent walls, Infinity’s higher floors offer a breathtaking view over de Nieuwe Meer and Amsterdamse Bos. And this same natural environment is found within its walls. At various places throughout the building, the walls make way for spacious cut-out open areas, providing room for a grand foyer with a garden of fig trees and ferns.

Two atria cut through the building from top to bottom. Infinity even has a jungle garden on the fourth floor, a palm house on the sixth floor and a patio with pine trees on the eighth floor.

Your company located in Infinity, means having an office your employees, clients and partners will love to be at.
Infinity offers a wide range of catering facilities. Enjoy a quality lunch at the restaurant on the 6th floor or a quick break at the coffee bar at the main entrance, while you stay in touch through the free WiFi-access at all catering areas. Our professional service team will not only take care of the facility management of the building, but can also assist with ICT management, restaurant bookings and groceries, to mention just a few examples. No demand is too high to ensure a maximum level of comfort.

Since all catering areas are open to the public, they form an inviting and lively atmosphere. Have a latte at the lustrous coffee corner and have a seat in one of the many separate areas. Whether one gathers for an informal business meeting, a quick sit-down with your laptop or just a casual chat between friends, Infinity has the fitting accommodation.
AMENITIES

A wide variety of meeting rooms and personal retreat areas are available for both tenants and visitors. For an important meeting on business matters or an informal talk to make new acquaintances, Infinity offers the desired privacy.

For larger audiences, the grand auditorium situated in the building’s nose offers room for 250 people, with state of the art equipment to ensure a truly great impression.

All meeting and facility rooms are equipped with the highest standard of audio, visual and communication equipment, ensuring a truly grand impression that enhances the image of your company.
PARKING FACILITIES

Infinity offers ample parking space for both employees and company guests. Access to the underground car park is strictly reserved for Infinity’s tenants, providing a secure personal parking space 24 hours a day, seven days a week.

With ample parking space, combined with Infinity’s remarkable architecture and easy access, giving directions to your office couldn’t be easier. As soon as Infinity is within view, take the first exit and drive straight into the underground parking.
GLASS HOUSE

Infinity’s double-layered glass walls create a house within a house. Its exceptional sustainable technique provides ideal thermal conditions, optimizing both the in-house climate and energy efficiency. Fresh air and the inherent amount of natural light create a healthy and comfortable work environment. With many sustainability measures, such as efficient lighting and thermal energy recycling, Infinity conforms to the high A-label requirements of energy efficiency.

As the sunlight floods through the glass façade, nothing stands between you and the breathtaking view on the surroundings. Overlooking the city of Amsterdam at the north and the forest of Amsterdamse Bos at the south, your view stretches as far as your ambitions.

NEVER-ENDING INSPIRATION.
EVER-CHANGING NEW PERSPECTIVES.
TECHNICAL SPECIFICATIONS

Infinity's office spaces provide the highest standard of technical facilities. The floors are particularly flexible, enabling tailor-made solutions for the wiring and furnishing of your company's office.

The same high level of technique guarantees the maximum standards of safety and sustainability, through climate ceiling for efficient temperature control with integrated sprinkler systems.

THE REAL LEADER HAS NO NEED TO LEAD.

HE IS CONTENT TO LEAD THE WAY.
